

Showing **CARE** for Customers in...

Crowd Delivery

Acknowledge

Greet store team and customers with a smile, wave or "hello!" as you arrive for pickup / delivery

Care

Treat orders with care... treat every delivery order like your own by handling with care, secure in your vehicle during transit

Take care... fulfill customer expectations by delivering within the window in a safe manner

Be mindful... always read and follow delivery instructions. Ensuring all the right bags are delivered to the right customer and placed gently in a safe, sheltered and presentable manner

Thank

Show your customer that you care by handing over their shopping in a friendly and presentable manner. Wish them a great day before you leave.

There are many ways... how will you show care?

A smile. A kind word. A helping hand.
In fact, the little things are often the most powerful.

We bring a little good to everyone, every day.
